Download Full Kaafir Movie. Full HD Video. Download now. Kaafir is a double-bass movie based on Muhammad Hamsa (Ahmed Sidik), who wants to be a musician and a teacher. He is also the fraternal twin brother of Ahmed Anwar (Nehad Masin), who is a rapper. Their other brother, Najib (Nurhan Junaidi), is a third-generation drug dealer. Kaafir and Anwar have problems with their father after he loses his job as a bank assistant, which causes him to disappear from their lives. Their mother was also kicked out of the family home by their father after she became pregnant with Anwar. It was a traumatizing moment for this family. In one scene, Anwar and his brother Najib go to a cafe after they have been driven home by their mother. Najib asks Anwar to go and play some music. Najib starts rapping and Anwar is forced to join in because no one else will come and listen to him. Najib ends up rapping better than Anwar, and eventually Anwar joins in. Their father is shocked when he learns that his children are rapping. He quickly gets even with his children, and they all hear the sounds of the gunshots. The scene cuts to another part of the city, where the two brothers are sitting on their beds when their father knocks on the door to tell them that he sold their mother for a very cheap price. One man comes to their home and says that he was the one who paid their father. He tells the two brothers that if they do not do what he says, he will kill them. The brothers agree to the man's demands and their father comes home. The man tells Kaafir to get out of the apartment and then kills their father. Kaafir and his brother go to a train station in Ankara to hide from the man. They kill the man and go home and seek help from their mother and Anwar. They enter their home through the window, and their mother is at the door waiting for them. She tells them that she did not report their father's death because she knew that they would kill her too. She then starts crying and runs into the kitchen. The scene cuts to the apartment of Anwar, where he is still rapping. He talks to the camera and explains that he has been rapping for a while, and he wants to give the people that he grew up with a good laugh. He has 648931e174
